PROFESSIONAL SUMMARY

Experienced banking professional with [X years] of expertise in payment processing, reconciliation, and SWIFT messaging. Proficient in handling MT103, MT202, and MT202COV messages, ensuring seamless international payment flows. Adept at working within high-volume environments, ensuring compliance with regulatory standards and protocols.

SKILLS

- SWIFT Messaging Standards: Expertise in MT103 (Customer Transfers), MT202 (Bank Transfers), and MT202COV (Correspondent Bank Transfers).
- Banking Operations: End-to-end processing of international wire transfers, fund settlement, and payment verification.
- Compliance Knowledge: Familiarity with AML/KYC regulations and SWIFT network security protocols.
- Technical Proficiency: Experience with core banking systems, payment platforms, and reconciliation tools.
- Problem Solving: Skilled in resolving payment discrepancies and reconciling mismatched transactions.
- Collaboration: Strong communication skills, collaborating with cross-functional teams, clients, and correspondent banks.

PROFESSIONAL EXPERIENCE

[Current/Most Recent Job Title]

[Company Name] - [City, State]

[Start Date] - [End Date or Present]

- Processed and validated outgoing/incoming SWIFT messages, including MT103, MT202, and MT202COV.
- Coordinated with correspondent banks for resolving payment issues and tracking funds.
- Monitored transaction flows to detect and prevent fraudulent activities, ensuring adherence to AML/KYC guidelines.
- Provided operational support during SWIFT system upgrades, including testing and documentation.
- Conducted root-cause analysis for rejected or delayed payments, implementing solutions to prevent recurrence.
